Bandipora, J&K; — 193502 | University of Kashmir

EDUCATION

B.Tech — Electrical Engineering

University of Kashmir | 2022–2026

COPA Diploma · ITI Bandipora (NCVT)

12th — NM Boys HSS, Bandipora

10th — Faiz-e-Aam SS, Bandipora

PROFESSIONAL SUMMARY

Motivated Electrical Engineering student at University of Kashmir (graduating 2026) with hands-on internship experience at **Kishanganga Hydroelectric Power Station, NHPC Limited**. Grounded in power systems, electrical machines, circuit theory, and control systems; additionally NCVT-certified in computing. Eager to contribute to India's energy infrastructure.

WORK EXPERIENCE

Engineering Intern

Kishanganga Hydroelectric Power Station · NHPC Limited | Bandipora, J&K;

- Gained hands-on exposure to utility-grade power generation at one of India's significant hydroelectric installations.
- Monitored high-voltage substations; developed working knowledge of switchgear, protection relays, and busbar arrangements.
- Observed power evacuation systems coordinating output delivery to national and state grid infrastructure.
- Applied academic knowledge in power systems and electrical machines to real field operational scenarios.
- Adhered to NHPC safety protocols, building discipline essential for professional engineering environments.

CORE COMPETENCIES

Power Systems	Power Generation · Hydroelectric Systems · Load Flow Analysis · Grid Operations · Power Distribution
Electrical Engg.	Circuit Theory · Electrical Machines · Control Systems · Electronics · HV Systems · Instrumentation
Computing & IT	MS Office · Computer Operations · Basic Programming · Data Management · NCVT COPA Certified
Soft Skills	Analytical Thinking · Problem Solving · Team Collaboration · Communication · Adaptability

KEY HIGHLIGHTS

■ NHPC Internship	Selected for internship at Kishanganga Power Station — direct exposure to India's hydropower infrastructure and utility-scale operations.
■ NCVT Certification	Completed nationally-recognised COPA diploma from ITI Bandipora, demonstrating multi-disciplinary skill development.
■ Graduating June 2026	Completing a rigorous 4-year B.Tech covering all major electrical engineering disciplines.
■ Multilingual	Proficient in English, Urdu, Kashmiri, and Hindi — enabling communication across diverse professional environments.

I hereby declare that all information provided in this resume is true and correct to the best of my knowledge and belief. I am fully prepared to provide supporting documents upon request.
